WESTBOUND 91 WILL CLOSE FOR ONE NIGHT

RIVERSIDE – The California Department of Transportation (Caltrans) will conduct a full freeway closure on the westbound 91 from the 60/91/215 Interchange west to Mission Inn Avenue.

The closure will be on Friday, May 18th, starting at 11:00 p.m. until 7:00 a.m. Saturday, May 19th. During the westbound 91 closure crews will be conducting work on the drainage system located in and around Mulberry Street. Motorists traveling through the area will use the detour indicated below. Caltrans asks that motorists allow for extra time as delays are expected.

Detour for the Westbound 91: Motorists on the southbound 215 can take the westbound 60 to Market Street. Take Market Street to University Street and re-enter the westbound 91 at the University Street on ramp.

Caltrans wants to thank RCTC and CHP for their support with deploying Freeway Service Patrol (FSP) tow trucks in various construction areas to remove disabled vehicles from the 60/91/215 work zone, reducing the congestion for everyone.

Caltrans also would like to thank motorists for their continued patience and support during the 60/91/215 improvement project. Caltrans asks that motorists please be aware of the construction area and always make a point to ***SLOW FOR THE CONE ZONE***.
